Dear Mr Macholc,

Planning Application 3/2019/0138: Application for the discharge of condition 5 (Historic building recording) from planning permission 3/2018/0598. Hollins Farm, Stopper Lane, Rimington BB7 4EJ

The above application includes a written scheme of investigation (WSI) for the historic building recording of three buildings at Hollins Farm, following the grant of permission for their conversion to residential uses. The supplied WSI (Stephen Haigh, December 2018) appears appropriate and adequate and we can recommend that it is approved.

As usual, however, we would recommend that the condition itself is not discharged until the final report from the recording has been submitted.

Yours sincerely

Peter Iles
