General Comments/Observations	
--------------------------------------	--

1.1 I have reviewed the above noted application in terms of potential adverse impacts on Environmental Health Amenity. I have no observations to make other than I would ask that all of the conditions requested by Alan Taylor, Environmental Health Officer, for the previous application, 3/2018/0090, are also included in the Decision for this latest application.

Suggestions/Mitigation	
2.1 As noted above.
