### **To continue to operate a dog grooming studio. Resubmission of planning application 3/2018/0090.**

Good morning Rebecca

With respect to the above planning application, to continue to operate a dog grooming studio. I would raise no objections on highway grounds but I would ask for the following condition to be attached to any permissions that your council is minded to grant.

#### **Condition**

1. The business will, whilst operating from the proposed site, provide two customer parking spaces within the curtilage of the site. Reason: to ensure that the business does not impact on the present need for on street parking.
