Dear Sirs,

Thank you for your enquiry with regard to the removal of 4 trees located at 16 The Drive Brockhall Village, Old Langho, Blackburn BB6 8BJ.

In our opinion the three Sycamore trees are in a very poor state, and are diseased and dying, and need to be taken down immediately, so as not to cause damage to buildings or danger to life.

The Horse Chestnut located in the front garden area is totally dead and also requires to be removed immediately.

Your faithfully,

Roy Cattermole
