Dear Sir/Madam

**Planning Application No: 3/2018/0239;**  
**Erection of agricultural building, silage clamp and slurry lagoon;**  
**Hall Barn Farm, Knowles Brow, Hurst Green, BB7 9PT. GT Ref: E19/0060.**

Thank you for consulting The Gardens Trust (GT) in its role as Statutory Consultee with regard to proposed development affecting a site listed by Historic England (HE) on their Register of Parks and Gardens. The Lancashire Gardens Trust (LGT) is a member organisation of the GT and works in partnership with it in respect of the protection and conservation of registered sites, and is authorised by the GT to respond on GT's behalf in respect of such consultations.

In our letter of 8 May we noted that the site of the application lies immediately within sight of the Stonyhurst Registered Park and Garden Grade II\*. We have visited the site and verified that the impact of the proposed application on views from the Terrace Gardens is likely to be negligible. We therefore have no objection to the proposals.

If there are any matters arising from this please contact LGT on [conservation@lancsgt.org.uk](mailto:conservation@lancsgt.org.uk)

Yours faithfully

*Stephen Robson*
