Mr Robert Major

Your ref: NC2/3/2019/0288

Date 17<sup>th</sup> April 2019

Applicant: Mr Michael Reilly

Planning Application No: 3/2019/0288

Location: Thorneyholme Hall, Newton Road, Dunsop Bridge

Proposal: Change of use from private dwelling (C3) to mixed use of function venue (D2) with ancillary accommodation ((C1) including single storey rear extension, and change of use of detached garage to cookery school (C2) including single storey extension.

Dear Mr Robert Major,

RE: Amended Description of Proposal

The Bowland Forest Lower Division Parish Council has had a meeting on Monday, 15<sup>th</sup> April 2019 and discussed the plans regarding the Planning Application 3/2019/0288 for Thorneyholme Hall, together with the letter of objection from Mr Christian Geisselmann (Mr Christian Geisselmann's e-mail: [christiangeisselmann@yahoo.co.uk](mailto:christiangeisselmann@yahoo.co.uk) ).

Bowland Forest Lower Division Parish Council took the decision to FORMERLY OBJECT because the Parish Council are not fully informed of what Mr Reilly is determining with his actions.

Bowland Forest Lower Division Parish Council is happy with the original planning permission which was granted in 2017, but Mr Reilly seems to be detracting from these original plans.

Therefore, Bowland Forest Lower Division Parish Council shall be grateful, and request the Ribble Valley Borough Council that they would instruct the Enforcement Officer to have a look at the Thorneyholme Hall site to see what is happening, and await the outcome.

Yours sincerely

Mrs Wendy Leeming

Clerk to Bowland Forest Lower Division Parish Council
