

Notes

All work to be carried out in accordance with the requirements of the current Building Regulations, all relevant BS Specifications, Codes of Practice, Local and Service Authority Byelaws, and in compliance with the Local Authority Approvals. **Contractors must verify all dimensions on site before commencing any work, making any shop drawings or fabricating off site.** Written dimensions should be taken in preference to scaled-off dimensions. If there are any discrepancies found between the drawing and site, the CRC Design should be notified immediately.
