Dear Rebecca

I write to confirm that Ribchester Parish Council considered the above application and raised no objections. However, there were some additional comments to the effect that:

If this will expedite the completion of this work on a property which has been an eyesore within Ribchester for several years, the Council is pleased to support the application. Such was the strength of feeling, that it was proposed that RVBC be invited to impose a time-scale for completion as a condition.

Kindest regards

Deb
