Swann SWDVK-844804V-UK 8-Channel 1080p CCTV DVR Kit & 4 Cameras (987GR)

Expandable 8-channel surveillance system with 4 weatherproof PRO-1080MSB security cameras. Up to 30m night vision or up to 40m in ambient light with the powerful infrared night vision. Cameras feature state-of-the-art True Detect PIR motion sensors designed to reliably detect people, cars, large pets and other large heat-generating objects. With more accurate motion detection, notifications and recordings are more reliable, eliminating false triggers such as falling leaves, bugs and rain. System comes with 32GB SD card storage for up to 14 days of recording. Remote viewing via smartphone or tablet using the Homesafe app. Works with Google Assistant by connecting Google Chromestick to TV. Ideal for medium-sized homes and businesses.
