Hi Adam,

Our Network Performance Engineer has reviewed the amended plans submitted by Gary Hoerty on the attached email.

The amendments to the proposed layout overcome our objection.

Should permission be granted for the proposal, we request the plans are detailed in any Decision Notice and informative comments included regarding the water main and United Utilities' requirements.

Should you require an amended formal response, I'll be happy to complete this for you – please let me know.

Best wishes

Sue

Further to our conversation earlier today please find attached amended plans which we think address UU's concerns without materially affecting the proposal.

I look forward to hearing from you in respect of how you intend to progress the application.

Regards

Gary
