Dear Mr Martin

Re: Kitchen Green Farm, Preston Road, Ribchester

I have an email from Jane Tucker asking me to let you have the Parish Council's comments on the above application. I have noted in my records that I sent our response to this application, and that there were no objections. However, when I was filing the paperwork, I could not locate a copy of the email I sent in response to this request. There does not appear to be a record of any communication with the Planning Department since the beginning of last week.

I do hope the email has reached you. I have had a major problem with the old computer I inherited from the previous Clerk, and this has now been replaced by a laptop. I hope that in the changeover, my correspondence was not lost. In any event, the Council had no objections to the Application.

Many thanks
Yours sincerely

Deb Groves
