Dear Sir

Proposal: Prior notification for the erection of agricultural storage shed.
Location: Brungerley Farm Clitheroe Road Waddington BB7 3HQ

I refer to your notification made under Schedule 2, part 6 of the Town and Country Planning (General Permitted Development) Order 2015 to determine whether full details are required for the above proposal.

On the basis of the information you have provided, I wish to inform you that the Council have resolved that Prior Approval of details is NOT REQUIRED prior to the commencement of any development. However, I would draw your attention to the following:

1. Your proposal may also require consent under the Building Regulations 1985, and I would advise you to contact the borough's building control section, unless you have already done so.
2. The development MUST be carried out in accordance with the details submitted under your Application for Determination, in particular drawings labelled 'location plan' and 'Brungerley Farm Drawings'.
3. The development must be carried out within a period of 5 years from the date on which the Council received your Application for Determination which was 11/07/2019.

Please contact Harriet McCartney if you require any further information.

Yours faithfully
