NOW THIS DEED WITNESSETH as follows:

1. DEFINITIONS

1.1 In this Deed unless the context otherwise requires:

Affordable Housing

"Affordable Housing" has the meaning given to it in Annex 2 of the NPPF.

Affordable Housing Provider

"Affordable Housing Provider" means a registered provider of social housing as defined by the Housing and Regeneration Act 2008 (or as redefined by any amendment, replacement or re-enactment of such Acts) and registered with the Homes and Communities Agency or any company or other body approved by the Home and Communities Agency for receipt of social housing grant.

Affordable Housing Scheme

"Affordable Housing Scheme" means the scheme for the provision of the Affordable Housing Units to be submitted to and approved by the Council pursuant to paragraph 1.2 of the Schedule 2.

Affordable Rent

"Affordable Rent" means such rent (inclusive of service charges where applicable) as is set by the Affordable Housing Provider in line with such standard recommendations and guidelines as may from time to time be published by the Regulator in relation to affordable costs being at the date hereof an initial maximum rental level of a maximum of the Local Housing Allowance rate calculated by the Department of Work and Pensions.

Affordable Rented Housing

"Affordable Rented Housing " means the Residential Unit constructed pursuant to the Planning Permission and transferred to a Registered Provider for allocation as affordable rented housing where the lettings shall be made under a form of tenancy prescribed by the Homes and Communities Agency and at a rent equal to or less than the prevailing affordable rent (inclusive of applicable service charges) permitted by the Homes and Communities Agency which shall normally be 80% of the open market rental value (or the maximum amount of local housing allowance payable for the Dwelling if this is lower than the calculated 80% figure). The Affordable Rented Housing shall comprise not more than 50% of the Affordable Housing Units.

Affordable Housing Units

"Affordable Housing Units" means those Dwellings which are to be provided as Affordable Housing which shall be 30% of the total number of Dwellings to be provided on the Site (such number to be rounded up or down to the nearest whole number) and which units shall constitute 50% Affordable Home Ownership and 50% Affordable Rented Housing and "Affordable Housing Unit" shall be construed accordingly.

SCHEDULE 2

The Owner's Covenants with the Council The Owners covenant with the Council in the following terms:-

1. Affordable Housing

- 1.1.** The Owners shall provide Affordable Housing as part of the Development in accordance with the provisions of this Schedule 2.
- 1.2.** The Owners shall not Commence Development until the Owner has submitted and the Council has approved in writing an Affordable Housing Scheme.
 - 1.3.1** An Affordable Housing Scheme submitted shall provide 30% (thirty per cent) of the total number of Dwellings to be constructed within the Development (rounded up or down to the nearest Dwelling on a "round half up" basis) as Affordable Housing Units of which 50 % (fifty per cent) of the Affordable Housing Units shall be Affordable Rented Housing and 50 % (fifty per cent) of the Affordable Housing Units shall be Affordable Home Ownership .
 - 1.3.2** To meet the identified need for Over 55 Accommodation as part of the 30% Affordable Housing Units of the Development 7.5% of the Development (up to 20) shall be of a Bungalow construction and 22.5% (up to 62) shall be of an Affordable Housing Unit none Bungalow construction.
 - 1.3.3** Of the remainder of the Development the Property shall constitute 7.5% of the total Development of a Bungalow Market Dwelling and 62.5% of the total Development is none Bungalow Market Dwelling. The Over 55s Accommodation shall be 15% of the total number of Affordable Housing Units and Market Dwellings on the Property.
- 1.4.** The Council shall give notice of approval or rejection of each Affordable Housing Scheme submitted pursuant to paragraph 1.2 of this Schedule 2 not later than 20 Working Days from the date of receipt by the Council of the Affordable Housing Scheme and in the event of its rejection shall (acting reasonably) set out its full reasons for rejection and specify the measures required to produce an acceptable Affordable Housing Scheme.

- 1.5. In the event that the Council rejects an Affordable Housing Scheme submitted pursuant to paragraph 1.2 of this Schedule 2 then the Owners may submit a revised Affordable Housing Scheme to the Council for approval whereupon the Council will again issue its decision in respect of such Affordable Housing Scheme in accordance with paragraph 1.4 above. In the alternative the Owners may seek to refer any dispute or disagreement for independent determination in accordance with Clause 8.6 of this Deed.
- 1.6. The Owners shall be entitled to invoke paragraph 1.5 of this Schedule 2 as many times as is necessary in order to secure an approval in respect of an Affordable Housing Scheme submitted to the Council pursuant to paragraph 1.2 of this Schedule 2.
- 1.7. No more than 75% (seventy five per cent) of the Market Dwellings within a the Development shall be Occupied before the Owners have offered the Affordable Housing Units within Development to an Affordable Housing Provider in accordance with the approved Affordable Housing Scheme and the terms of this Deed.
- 1.8. From the date the Affordable Housing Units within the Development are first offered to an Affordable Housing Provider pursuant to paragraph 1.7 of this Schedule 2 (above) the Owner shall use reasonable endeavours in seeking to transfer the relevant Affordable Housing Units to the Affordable Housing Provider in accordance with the terms of this Deed PROVIDED THAT for the avoidance of doubt there shall be no obligation on the Owners to have commenced construction of the relevant Affordable Housing Units at the point when the said Affordable Housing Units are offered in accordance with this paragraph 1.8.
- 1.9. No more than 75% (seventy five per cent) of the Market Dwellings within the Development shall be Occupied before 100% (one hundred per cent) of the Affordable Housing Units within the Phase of Residential Development have been Practically Completed in accordance with the approved Affordable Housing Scheme for that Phase of Residential Development, subject to such variations as may be agreed between the Council and the Owners from time to time.
- 1.10. From the date of Practical Completion each Affordable Housing Unit shall be used only as Affordable Housing and shall (unless otherwise agreed in writing with the Council) only be offered for Occupation in accordance with the Priority Order unless otherwise agreed in writing with the Council save that this obligation shall not be binding upon:

1.10.1. any Chargee;

1.11. any mortgagee of an individual Affordable Housing Unit exercising its power of sale in respect of any such Affordable Housing Unit and any purchaser of an Affordable Housing Unit or any person deriving title from such a person or any successor in title thereto and their respective mortgagees and chargees from such mortgagee PROVIDED THAT:

1.11.1. any such mortgagee shall prior to seeking to dispose of the Affordable Housing Unit pursuant to any default under the terms of its mortgage or charge shall give not less than 2 months' prior notice to the Council of its intention to dispose and:

1.11.2. in the event that the Council responds within 1 months from receipt of the notice indicating that arrangements for the transfer of the Affordable Housing Unit can be made in such a way as to safeguard them as Affordable Housing whilst redeeming the outstanding sum of the mortgage plus the mortgagee's costs then the Mortgagee shall co-operate with such arrangements and use its best endeavours to secure such transfer

1.11.3. if the Council does not serve its response to the notice served under paragraph 1.11.1 within the 1 month then the Mortgagee shall be entitled to dispose free of the restrictions set out in this paragraph 1.11 of this Schedule 2

1.11.4. if the Council or any other person cannot within 2 months of the date of service of its response under paragraph 1.11.2 secure such transfer then provided that the mortgagee shall have complied with its obligations under paragraph 1.11.1 the mortgagee shall be entitled to dispose free of the restrictions set out in this paragraph 1.11 of this Schedule 2

BUT FURTHER PROVIDED THAT at all times the rights and obligations of the mortgagee in this 1.11 shall not require the mortgagee to act contrary to its duties under the charge or mortgage nor oblige the mortgagee to dispose of an Affordable Housing Unit at a sum which is insufficient to redeem the outstanding sum of the mortgage plus costs.

1.12. any Protected Tenant or any mortgagee or chargee of a Protected Tenant or

any person deriving title from the Protected Tenant or any successor in title thereto and their respective mortgagees and chargees; or

1.13. A disposal (and any subsequent occupation) required by:

1.13.1. any statutory provisions now or hereafter in force; or

1.13.2. the Homes and Communities Agency; or

1.13.3. a court order.

1.14. The Owners shall ensure that any transfer of an Affordable Housing Unit to an Affordable Housing Provider shall contain the following provisions:

1.14.1. A covenant that the Affordable Housing Provider shall not use the Affordable Housing Unit otherwise than for Affordable Housing;

1.14.2. A covenant that the Affordable Housing Unit shall only be offered for Occupation in accordance with the Priority Order (unless otherwise agreed in writing with the Council); and

1.14.3. A covenant that those Affordable Housing Units which are Affordable Rented Housing Units shall be made available for letting at a rent level not exceeding the Local Housing Allowance Rent;

1.15. In the event that:

1.15.1. the Affordable Housing Provider to whom an offer is made by the Owner in accordance with paragraph 1.7 of this Schedule 2 declines to accept a transfer of some or all of the Affordable Housing Units within the Development; or

1.15.2. no sale of some or all of the Affordable Housing Units within the Development has been effected within six months from either the Commencement of Development of the Development or the date the Affordable Housing Units were offered to the Affordable Housing Provider in accordance with paragraph 1.7 of this Schedule 2 (whichever is the later)

then paragraph 1.16 of this Schedule 2 (below) shall apply in respect of such Affordable Housing Units.

1.16. Where this paragraph 1.16 applies then:

1.16.1. the Owner may at any time serve notice upon the Council stating that this paragraph 1.16 applies and providing evidence as to why despite complying with paragraph 1.8 of this Schedule 2 the Owner has been unable to transfer the Affordable Housing Units to the Affordable Housing Provider, together with evidence from the Affordable Housing Provider that they are not willing to so purchase the Affordable Housing Units (if such evidence is available);

1.16.2. upon receipt of the Owner's written notice served pursuant to sub-paragraph 1.16.1 above the Council shall consider the evidence and confirm in writing within 10 Working Days of the date of receipt whether or not it agrees that despite complying with paragraph 1.8 of this Schedule 2 the Owners have been unable to transfer the Affordable Housing Units to the Affordable Housing Provider and in the event that the Council disagrees the Council shall set out its full reasons for such disagreement.

1.17. In the event that the Council confirms in writing pursuant to sub-paragraph 1.16.2 that it disagrees that that despite complying with paragraph 1.8 of this Schedule 2 the Owners have been unable to transfer the Affordable Housing Units to the Affordable Housing Provider then the Owners may:

1.17.1. make a further offer to transfer the relevant Affordable Housing Units to the Affordable Housing Provider or another Affordable Housing Provider in accordance with paragraphs 1.7 and 1.8 of the Schedule 2 (in which case the Owners shall be entitled to invoke the procedure set out in this paragraph 1.15 in the event that some or all of the Affordable Housing Units have still not been transferred to an Affordable Housing Provider at the end of a further period of 20 Working Days beginning with the date of the making of such an offer); or

1.17.2. submit further evidence and submissions to the Council in order to address the Council's reasons for

disagreement (in which case sub-paragraphs 1.16.1 to 1.16.4 of this Schedule 2 shall apply mutatis mutandis to the Council's consideration of such evidence and submission; or

1.17.3. refer any dispute or disagreement for independent determination in accordance with Clause 8.6 of this Deed.

1.18. In the event that the Council or an Expert (as defined in Clause 8.6 of this Deed) confirms pursuant to this paragraph 1.18 of this Schedule 2 or Clause 8.6 (as the context requires) that despite complying with paragraph 1.7 of this Schedule 2 the Owners have been unable to transfer the Affordable Housing Units to the Affordable Housing Provider then the Owner shall be entitled to dispose of the relevant Affordable Housing Units as Discount Sale Units free from the restrictions in this Schedule 2 PROVIDED that such disposal shall be at no more than [70%] (seventy per cent) of Open Market Value but shall be subject to Priority Order in perpetuity .

2 Longridge Loop Contribution

To pay to the Council £30,000 towards the Longridge Loop on the occupation of the 30th Dwelling

SCHEDULE 3

The Owner hereby Covenants with the County Council as follows:

1. Education Contribution

Within 20 working days following the grant of a Reserved Matters Consent to notify the County Council that a Reserved Matters Consent has been granted and request that the County Council calculates the Primary Education Contribution relating to the said Reserved Matters Consent in accordance with this Deed

2 Calculation of the Education Contribution

2.1 The calculation of the Primary Education Contribution generally and of the Spare Places shall be undertaken in the same manner as demonstrated in the County Council's Education Methodology May 2016 (attached at Schedule 5 to this Deed)

2.2 The County Council's pupils projections that are current at the time of the calculation shall be used

2.3 For the avoidance of doubt, if the County Council's calculations show that the number of Spare Places in primary school has increased then there may be a reduction in the payment due in accordance with the recalculated shortfall, if however the recalculated number of Spare Places is expected to exceed the calculated pupil yield from the Development then no Primary Education Contribution shall be payable

3 Education Contribution Triggers

5. PROVIDED THAT

- 5.1 The County Council shall not use the Primary Education Contribution other than for the purpose of a contribution towards the costs of the provision primary education provision for children living on the Development leading to an increase in the admission number of the school where such provision is made.
- 5.2 The County Council shall hold the Primary Education Contribution in an interest bearing account pending use for the purpose set out in paragraph 5.1 above.
- 5.3 If on the day 5 years after the day on which the last payment from the Owner under this deed was received the sum or any part of the sum paid or

of the interest earned on it has not been used by the County Council in accordance with paragraph 5.1 of this Schedule, the County Council shall return the unspent portion to the party who made such payment together with any interest earned on it.

- 5.4 Upon request, the County Council shall provide to the Owner reasonable evidence as to the expenditure of the sums paid by the Owner under this Deed.

SCHEDULE 4 Covenants by the Council

1. Contributions

- 1.1 To pay any Contributions received into a separately identified interest-bearing section of the Council's combined accounts as soon as reasonably practicable.
- 1.2 Not to use any part of the Contribution other than for the purposes for which it was paid (whether by the Council or another party).
- 1.3 In the event that the Contributions have not been spent or committed for expenditure by the Council within 5 years following the date of receipt of the Contributions in whole or any installments the Council shall refund to the Owners any part of the Contributions which has not been spent or committed for expenditure, together with any accrued interest.

Introduction

New housing developments place additional pressure on a wide range of infrastructure in an area including roads, health, social services, leisure, recreation and education.

This document sets out the Lancashire County Council methodology used for claiming education contributions against housing developments which are expected to create a shortfall of primary and secondary school places.

Education services are managed through Lancashire County Council and the two unitary authorities of Blackpool and Blackburn with Darwen. For the purposes of this policy paper, the education services referred to are those covered by Lancashire County Council only.

As stipulated in Section 14 of the Education Act 1996, Lancashire County Council has a statutory obligation to ensure that every child living in Lancashire is able to access a mainstream school place in Lancashire if they want one.

Planning applications are submitted to each of the 12 district councils across Lancashire which act as the local planning authority. If you have any queries regarding contributions for school places, in the first instance you should contact the relevant local planning authority (the district council). We will work with them to provide further clarity on any education queries.

Pressure for additional school places can be created by an increase in the birth rate, new housing developments, greater inward migration and parental choice of one school over another. If local schools are unable to meet the additional demand, a new development can have a significant impact on the infrastructure of its local community and this impact must be mitigated against. In terms of housing development this mitigation would be in the form of the provision of additional school places, facilitated through an education contributions, via either the Community Infrastructure Levy (CIL) Regulations 2010 or Section 106 of the Town and Country Planning Act 1990, in order that additional places can be made available. An education contribution could include a school site.

Regulation 122 of the Community Infrastructure Levy (CIL) Regulations 2010 imposes a limitation on the use of planning obligations and provides that a planning obligation may only constitute a reason for granting planning permission if the obligation is:

- necessary to make the development acceptable in planning terms;
- directly related to the development;
- fairly and reasonably related in scale and kind to the development

In addition, Regulation 123 (3) of the CIL Regulations 2010 scales back the way planning obligations operate. Limitations are also placed on the use of planning obligations in the following respects:

- Ensuring the local use of the levy and planning obligations does not overlap

- **Limiting pooled contributions from planning obligations towards infrastructure projects which may be funded by the levy**

Quality education provision is at the heart of sustainable communities and, therefore, should be a fundamental consideration of all new housing developments. Where new housing development creates a demand for school places in excess of those available, the local authority will expect the local planning authorities to work with Lancashire County Council in seeking an education contribution from developers that is proportionate to the impact in order to mitigate against the effect of any new development on local infrastructure. It is critical that developers make a contribution towards school places as, without one, the local authority will be unable to ensure school places are accessible, and this is likely to impact on the children and families who come to settle in new developments. This would, therefore, raise concerns about the viability and sustainability of a new development.

An education contribution will only be sought where there is a projected shortfall of primary and secondary places at schools within the local area of a development.

Contextual information regarding Lancashire schools and the policy for expanding schools can be found within the current 'Strategy for the Provision of School Places and Schools' Capital Investment'.

How to Request an Assessment

In most circumstances the local planning authority will request an assessment on behalf of a developer. All requests should be emailed to Planning and Environment at Lancashire County Council via Planning.Contributions@lancashire.gov.uk

Planning developments and the introduction of CIL

The 12 local planning authorities are currently at different stages in the adoption of the Community Infrastructure Levy (CIL). Please contact the local planning authority for further information.

Regardless of whether a local planning authority has adopted CIL, the initial assessment Lancashire County Council undertakes to determine whether an education contribution is required is identical.

Methodology for Assessing Contributions

All residential developments which result in a net increase of 10 dwellings or more will be assessed to determine whether the developments are expected to result in a shortfall of school places. The assessment will measure the projected impact of the development on surrounding primary and secondary schools within:

- 2 mile radius of the development for primary aged school pupils
- 3 mile radius of the development for secondary aged school pupils

These distances are based on [DfE Guidance on home to school travel and transport – July 2014](#), and are considered reasonable walking distances for pupils.

Academy and Free Schools are included in assessments in the same way as any other maintained or aided school.

The assessment is based on the grid reference used for the planning application, provided by the local planning authority.

Where there are no schools within the 2 or 3 mile radius of the development, Lancashire County Council will assess on the nearest school.

If the places provided to address the impact of the development are beyond 2 or 3 miles for primary or secondary provision (respectively) Lancashire County Council acknowledge that it may be necessary to provide transport assistance in line with the Home to School Transport Policy.

Exemptions

Contributions are not sought in respect of:

- Sheltered accommodation
- Student accommodation

Contributions are also not sought in respect of:

- Nursery places
- Sixth form places
- Further education places
- Special education needs and disability places
- Independent school places

Contributions are sought in respect of:

- Affordable housing
- 1 Bedroom accommodation

Pupil Projections

Lancashire County Council's Asset Management School Planning Team uses 5 year pupil projections incorporating:

- Current and previous years' school census information containing numbers on roll
- Inward and outward migration of pupils
- School net capacity assessments
- Schools cumulative admission numbers
- NHS and ONS birth data
- Approved Planning Application Housing data obtained from the local planning authority's Housing Land Supply (HLS), Annual Monitoring Report (AMR), Strategic Housing Land Availability Assessment (SHLAA) or equivalent. (We consult with each local planning authority to obtain the appropriate housing information for their area).

Further information can be found in the [Pupil Projection Methodology](#).

Please note that we don't provide:

- school by school, year by year projections as this could compromise parental preference and conflicts with public interest
- information relating to the home address of children
- mapping information
- net capacity forms as they are not in the public domain

The 5 year projection figures are used to assess the capacity and expected demand within the local schools. 5 years is the period used in each of the local planning authorities' HLS (or equivalent) documents.

Assessments

The contribution sought from developers will be used to mitigate the direct impact of the development and **not to address any existing shortfall.**

Using the 5 year pupil projections an assessment will be undertaken to ascertain whether Lancashire primary schools within 2 miles and/or Lancashire secondary schools within 3 miles of the development are:

- Already over-subscribed, or
- Projected to become over-subscribed within 5 years

If a shortfall is identified at this point, the contribution sought would be for the full potential pupil yield of the development.

Should there be sufficient places at this stage or only a partial shortfall of places identified, Lancashire County Council will need to consider the impact from approved housing developments not yet included in the 5 year Housing Land Supply, which will impact upon one or more of the schools in the catchment of the assessed development before reaching a conclusion on the expected number of surplus places. This will take into account the impact of any developments receiving planning permission subsequent to the latest update of the Housing Land Supply and pupil projections.

Should there be sufficient places, or only a partial shortfall of places is identified, Lancashire County Council will need to identify the impact from pending applications impacting on one or more schools in the catchment of the assessed development. This will provide an understanding of the impact of any developments receiving planning permission ahead of the development being assessed. The education contribution sought will be calculated taking into account approved applications only, therefore a reassessment will need to be undertaken prior to the development being considered for decision.

Once a shortfall has been identified, a contribution will be calculated in accordance with the methodology below:

Where a development is expected to result in local schools becoming oversubscribed, Lancashire County Council will seek contributions from the developer to pay a contribution towards the associated capital costs of an identified infrastructure project. The infrastructure project and details of the number of pooled contributions will be identified prior to a decision on the planning application.

Whilst Lancashire County Council seeks to provide additional places in existing schools wherever possible (to maintain stability in the existing school system; to provide places in a timely fashion and to achieve best value for money), it may not always be feasible to expand one or more existing schools. In such circumstances, a new school may be required to address the shortfall of places. For this reason, depending on the scale of the development, a school site may also be required.

Lancashire County Council's assessment will work on the assumption that all of the development will be delivered within 5 years. The reason for this is that the data that

Lancashire County Council uses in its pupil projections provides far more accurate information up to a 5 year period. In order to safeguard the interests of the county council and the developer, the methodology allows for planning applications to be reassessed at the point of Reserved Matters. For this reason, we will normally ask that the relevant planning authority seeks a reassessment at that time.

Pupil Yield

In 2012 Lancashire County Council undertook an analysis to determine the number of pupils who attend mainstream schools who live in recently built houses.

The analysis on which this yield is based includes a cross section of Lancashire conurbations taking into account a mix of rural, urban and city locations. The sample used takes into account a range from large developments to individual dwellings.

Because of this analysis, Lancashire County Council uses a method of assessing the impact of a development based on the mix of the size of the development, based on the number of bedrooms in each property to be built.

The pupil yield for each size of house can be seen in the table below.

No of Bedrooms	Yield per development - Primary	Yield per development – Secondary
1	0.01	0.00
2	0.07	0.03
3	0.16	0.09
4	0.38	0.15
5+	0.44	0.23

When assessing a development, the number of pupils calculated to arise from the development will be subject to rounding, either up or down, to the nearest whole figure.

In order to enable an appropriate assessment, an accurate bedroom mix should be provided, where available, at the time of the assessment. If the bedroom information is not available at the time of assessment, an assumption will be made that all dwellings will be eligible 4 bedroom housing and the development will be assessed on this basis. The application will then be reassessed once accurate bedroom information becomes available- this could be at the Reserved Matters stage of the application. It is the responsibility of the local planning authority to notify Lancashire County Council once additional information becomes available so a reassessment can be undertaken.

An example calculation can be found in Appendix 2 of this document.

Developments Remote from a Lancashire School

Where a planned development is located more than 2 miles from any existing primary school and /or over 3 miles from the nearest secondary school, Lancashire County Council would look at the nearest Lancashire school and, if there are no places at that school, a contribution for additional places would be sought. Any contribution sought would be used to provide places at the nearest Lancashire school

where an infrastructure project can be delivered. In such cases Lancashire County Council will incur transport costs to ensure the school places are accessible.

If the places provided to address the impact of the development are beyond 2 or 3 miles for primary or secondary provision (respectively) Lancashire County Council acknowledge that it may be necessary to provide transport assistance in line with the Home to School Transport Policy.

Calculation

After assessing the impact of the development and a shortfall is apparent, a contribution will be sought based on either:

- The full yield of the development (where a shortfall already exists) or
- The projected shortfall of places resulting from the development

The calculation is:

DfE Cost Multiplier (for primary and/or secondary places)	x	DfE Location Factor	x	BCIS All-in Tender Price Index	x	Number of Places
--	---	---------------------	---	--------------------------------	---	------------------

The indexation used to calculate is based on BCIS All-in Tender Price for the DfE Cost Multipliers provided in Quarter 4 2008.

The DfE Location Factor was last identified as using the BCIS Location Factor, identified in the Education Funding Agency document Sixth form college building condition improvement fund 2014 to 2015.

The figures will be updated annually, on 1st April each year, within this methodology to reflect the latest position.

The calculation for 2017:

Primary

£12,257	x	0.97	x	287 / 240	x	Number of Places
---------	---	------	---	-----------	---	------------------

Secondary

£18,469	x	0.97	x	287 / 240	x	Number of Places
---------	---	------	---	-----------	---	------------------

To simplify:

Primary cost per place = = £14,217.31

Secondary cost per place = £21,423.27

Lancashire County Council reserves the right to reassess the school place position in respect of a development in accordance with this methodology paper, to take into account changing circumstances up to the point where a planning application is approved.

An example calculation can be found in Appendix 2 of this document.

Reassessments

Where a development does not have bedroom information at the time of the assessment, an assessment will assume the development consists of all 4 bedroom houses. Should the bedroom information be provided at a later date, for example at reserved matters stage, then a reassessment will be undertaken to provide an up to date assessment of the impact of the development.

A claim with a range assessment will be dependent on the other pending housing applications submitted to the relevant districts. Should these planning applications be approved ahead of the assessed development, then the claim with a range figures will change. A reassessment may be required at the reserved matters stage of the planning process.

Indexation

Indexation will be applied to Section 106 agreements using the formula below.

Education Contribution	x	BCIS All in Tender Price Index for the period immediately prior to the date of payment under the S106 agreement	+	BCIS All in Tender Price Index for the period last published before the date of agreement
------------------------	---	---	---	---

Where trigger targets are included in the S106, indexation will apply at each trigger point.

School Site

If a large new housing development (over 150 houses) is proposed, it may not be feasible to expand one or more existing schools. In such cases, Lancashire County Council will need to investigate whether a site may be required, taking into account the existing provision in the area. The size of this site would be determined in accordance with DfE guidance.

Where a number of small developments are expected to come forward in an area with an aggregated requirement for a new school, Lancashire County Council would expect the local planning authority to assist in the negotiations to secure a school site. The strategic planning of each district is the responsibility of the local planning authority as well as Lancashire County Council. Both parties will need to ensure education solutions are identified.

In the case of the provision of a school site Lancashire County Council would expect to be consulted as early as possible on the proposed location of the school site to ensure its suitability.

Declining to Contribute to Education Infrastructure

In identifying a shortfall in local provision and asking for a developer contribution, Lancashire County Council is, in effect, objecting to the application. A developer contribution will, in most cases, overcome the objection.

If a developer does not agree to payment of the requested education contribution or the local planning authority does not pursue Lancashire County Council's request on its behalf, Lancashire County Council cannot guarantee that children yielded by the development will be able to access a school place within reasonable distance from their home, so the development could be considered to be unsustainable.

If the development is still approved without an education contribution or a reduced contribution, Lancashire County Council would be seeking clarification from the local planning authority on how the shortfall of education places will be addressed.

Approved Subject to Section 106

Where a development has gained planning approval subject to the sealing of a Section 106 agreement, Lancashire County Council will treat the development as approved when assessing future applications.

Identifying S106 Infrastructure Projects

From April 2015, Regulation 123 of the Community Infrastructure Levy (CIL) Regulations restrict the use of pooled Section 106 contributions towards items that are capable of being funded through CIL. At that point, no more contributions may be sought in respect of a specific infrastructure project or a type of infrastructure through a section 106 agreement, if five or more obligations for that infrastructure project have already been entered into since 6 April 2010 or the date of adoption of CIL by the planning authority, and it is a type of infrastructure that is capable of being funded by the levy.

Lancashire County Council will identify an infrastructure project, either within a Regulation 123 list or in the cases where a Section 106 agreement is to be used, prior to a decision being taken on the planning application.

The infrastructure project will be identified when the application is being considered for decision.

Examples of Projects

- Provision of additional school places to address the impact of the development.
- Acquisition of additional land
- Project to increase the capacity of a school by a number of places towards providing a half form of entry.
- The provision or extension of a classroom
- The expansion of a hall required to provide more capacity
- Internal remodelling to provide additional capacity

How Lancashire County Council chooses which school to expand

The process Lancashire County Council uses when choosing which school to expand is outlined in the latest [Strategy for School Places](#). When determining which schools are suitable for expansion, Lancashire County Council will consider the following criteria, in no particular order:

- Pupil attainment levels
- Levels of parental first preference
- Current size of the school
- Location of the school relative to population
- Practicalities of expansion on the existing or nearby site

- **Costs of expansion and potential joint investment benefits**

Limitations of Naming Projects

By naming the projects Lancashire County Council cannot guarantee the named infrastructure project will go ahead. The following list are some of the risks we have to a project not proceeding. For example, a project may be subject to:

- **The willingness of the school governing body to expand**
- **Suitability of the site**
- **Gaining Planning permission & compliance with Section 77 of the Schools Standards and Framework Act 1998 and Schedule 1 of the Academies Act 2010**
- **Consultation with local schools and the community**
- **Parental preference at the time that the places are required**
- **School standards and popularity at the time that the places are required**
- **Availability of other funding streams**
- **Changes in the overall capacity within the local schools**
- **Project cost being prohibitive**
- **Demand not materialising as projected**
- **Agreement timescale condition expires before demand materialises**
- **Being unable to find an academy sponsor**

Splitting contributions across projects

A contribution may be split across two or more projects to provide the number of places required, subject to pooling restrictions.

Should one project fail to progress resulting in the education contribution being returned, only the contribution allocated to the non-progressing project will be returned.

Communication with Schools

When an infrastructure project is included in a S106 the school(s) will be informed by Lancashire County Council, including details of the development that is providing the education contribution. Any communication with schools about potential projects should be conducted via the Asset Management School Planning Team at Lancashire County Council.

Specific Content Required in a S106 Agreement

We would request to include the following in any planning obligation agreement (also known as S106 agreement):

- A formula that allows for the calculation of the education contribution at reserved matters stage of the application process. This would be required for any application that is at outline application stage and has not ascertained the bedroom mix of the development.
- The education contribution would be adjusted by BCIS Indexation from the date of the planning obligation agreement to the date of payment of the education contribution. The BCIS Indexation used will match the indexation used during the initial assessment.
- A payback clause that provides for:
 - the amount secured to be repaid to the developer if not spent within an agreed timescale, and
 - any land secured to be returned to the developer if not used within an agreed timescale.
- A clause that states that Lancashire County Council will endeavour to spend any contributions secured on an infrastructure project at a specific school, detailed within the agreement. If the contribution is not spent on the identified infrastructure project the contribution will be returned and the County Council will be responsible for delivering school places at no cost to the housing developer.
 - Where the pooling of S106 contributions affects one or more school(s) within the catchment of the development; provision is made within the S106 to discount those schools that are affected from the S106 agreement.

Where we are not party to an agreement between a developer and district council, the county council would ask that the wording of the agreement is discussed with us.

Reassurance that Contributions will be Spent Locally

Where the county council is proposing to significantly enlarge a school or establish a new school, there are strict guidelines and regulations which we must follow. Whilst the new School Organisation (Prescribed Alterations to Maintained Schools) (England) Regulations 2013 and (Establishment and Discontinuance of Schools) Regulations 2013 which came into force on 28 January 2014 streamline some of the processes for school expansion, the process still involves consultation with interested parties before a decision can be taken.

Therefore, at the stage where we respond to a planning application, we are unable to predetermine where capital funds will be spent or to pre-empt the outcome of any consultation. However, there is an obligation to meet the tests of Community Infrastructure Levy (CIL) and to demonstrate expenditure is used to mitigate the

impact of the development and this means that we will aim to spend the money on the capital cost of providing the places within a three mile radius of the development wherever possible.

The planning obligation agreement established with the developer will provide assurances about this. For more information read the section on specific content required in a planning obligation agreement.

Lancashire Local Planning Authorities – CIL Adoption

All local planning authorities, whether they have adopted the Community Infrastructure Levy (CIL), or not, will still require an education contribution assessment to determine the impact of the development on surrounding schools.

To identify whether your local planning authority has adopted CIL and how they will deal with your planning application, please contact them directly.

Local Planning Authorities Which Have Yet to Adopt CIL

The local planning authorities which are still to move to the Community Infrastructure Levy will continue to require assessments and enter into agreements using Section 106s to secure contributions towards education infrastructure.

Pooling Contributions

Where there are a number of developments within an area each yielding an education contribution, as advised by the Planning Advisory Service, Lancashire County Council may decide to pool contributions to provide the infrastructure project, where this accords with Regulation 123 (3) of the Community Infrastructure Levy Regulations 2010.

A maximum of five contributions can be secured against each infrastructure project.

Local Planning Authorities who have adopted CIL

With the adoption of CIL, local planning authorities will agree a Regulation 123 List outlining infrastructure projects which CIL funds can be allocated towards.

To discover how your development will contribute to the education infrastructure in the area, please contact the relevant local planning authority.

If an education contribution is secured using CIL, the same development will not be required to pay a contribution via S106.

Windfall Sites for Authorities who have adopted CIL

Windfall sites for developments within local planning authorities area who have adopted CIL may be dealt with in one of two ways:

- Using Section 106 agreements
- An amendment of the Regulation 123 List

Clarification should be sought via the local planning authority.

Other Matters

Pre-Applications

Due to the significant number of planning applications received we are currently unable to treat pre-applications as a priority and assessments for pre-applications may not be possible.

Appendix 1: National Policy and Guidance

The following policy underpins the methodology for seeking education contributions in Lancashire.

Education Act 1996

Section 14 of the Education Act 1996 stipulates that local authorities must secure sufficient appropriate school places to serve their area. The policy refers to the provision of mainstream school places only. It does not relate to the planning of nursery, further education, special education need and disability, nor independent school provision.

Education and Inspections Act 2006

Part 1 of the Education and Inspections Act 2006 outlines the education functions of Local Authorities. It places Lancashire County Council as the appropriate authority to secure diversity in the provision of schools and increase parental choice opportunities.

Expansion of an Existing School

Where an expansion of an existing school is considered to be significant, where more than 30 places are to be provided and will expand the school by more than 25% of the existing school capacity or 200 pupils, a statutory significant enlargement process will need to be followed. As the significant enlargement of an existing school or the establishment of a new school both require the authority to consult interested parties before making any decision, under The School Organisation (Prescribed Alterations to Maintained Schools) (England) Regulations 2013 and The School Organisation (Establishment and Discontinuance of Schools) Regulations 2013.

The Academy/Free School Presumption

In accordance with strategy, Lancashire County Council prefers to expand existing schools to accommodate additional pupils in an area, in some circumstances it may not be feasible to expand any schools in an area. The Education Act 2011 changed the arrangements for establishing new schools and introduced section 6A (the academy/free school presumption) to the Education and Inspections Act 2006. Where a LA identifies a need for a new school in its area it must seek proposals to establish an academy/free school.

Statutory Walking Distances

The Department for Education specifies that "statutory walking distance is two miles for children aged under eight, and three miles for children aged eight and over" (DfE Guidance on home to school travel and transport – July 2014). This is reflected in Lancashire County Council's Home to School Transport Policy. For this reason Lancashire County Council assesses primary schools within two miles and secondary schools within 3 miles of the development. For the purpose of planning

developments, this is determined by applying a radius from the grid reference used for the planning application and not using travel distances to each individual school.

Town and Country Planning Act 1990

Section 106 of the Town and Country Planning Act 1990 introduced the ability to seek a contribution from developers by Local Authorities towards mitigating the impact of pupils living in the new development on local school capacity.

Community Infrastructure Levy

The Community Infrastructure Levy Regulations 2010

Section 77

Section 77 of the School Standards and Framework Act 1998 as amended by the Education Act, 2011 refers to the disposal or change of use of playing field and school land. Any changes to the use of school land requires consent of the Secretary of State.

National Planning Policy Framework & Guidance

The National Planning Policy Framework was published on 27 March 2012 and sets out the Government's planning policies for England and how these are expected to be applied. Paragraph 72 specifically refers to the provision of school places:

The Government attaches great importance to ensuring that a sufficient choice of school places is available to meet the needs of existing and new communities. Local planning authorities should take a proactive, positive and collaborative approach to meeting this requirement, and to development that will widen choice in education.

They should:

- *give great weight to the need to create, expand or alter schools; and*
- *work with schools promoters to identify and resolve key planning issues before applications are submitted.*

Appendix 2: Example Calculation

If a housing development was to come forward with 100 houses, with the bedroom information broken down as:

Number of Bedrooms	Number of Houses with that Number of Bedrooms
1	10
2	20
3	40
4	25
5+	5

Calculate the number of children expected from the development

No of Bedrooms	Yield per development - Primary	Yield per development - Secondary	Primary Pupils Expected	Secondary Pupils Expected
1	0.01	0.00	$10 \times 0.01 = 0.1$	$10 \times 0.00 = 0.0$
2	0.07	0.03	$20 \times 0.07 = 1.4$	$20 \times 0.03 = 0.6$
3	0.16	0.09	$40 \times 0.16 = 6.4$	$40 \times 0.09 = 3.6$
4	0.38	0.15	$25 \times 0.38 = 9.5$	$25 \times 0.15 = 3.75$
5+	0.44	0.23	$5 \times 0.44 = 2.2$	$5 \times 0.23 = 1.15$
Total			19.6 (20 Pupils)	9.05 (9 Pupils)

Primary

Next schools within 2 miles for primary and 3 miles for secondary of the development are identified and an assessment on the schools 5 year future capacity and 5 year future number of pupils expected in the school is completed.

	Future Net Capacity of School	Projected Number of Pupils on Roll
Primary School A	210	215
Primary School B	315	310
Primary School C	198	200
Primary School D	210	210
Total	933	935

For Primary Schools in the area, we are expecting a shortfall of 2 places ($933 - 935 = -2$) before the impact of this development, the pupils expected from this development will make the situation worse. So for this development we would be seeking a contribution for all the primary aged pupils ie 20 pupils.

Secondary

	Future Net Capacity of School	Projected Number of Pupils on Roll
Secondary School A	800	798
Secondary School B	650	627
Secondary School C	1,050	1,033
Total	2,500	2,458

For Secondary Schools in the area, we are expecting to have 42 spare spaces.

However, there are 4 additional applications which have obtained planning permission prior to this assessment. Collectively these applications are planning to yield 44 children. These developments will use the 42 spare places leaving a shortfall of 2 places so an education contribution will be sought for this development for 2 pupils.

In addition to the additional applications, there are also 2 pending applications, collectively contributing a further 5 pupils. Should these applications come forwards ahead of this application the shortfall from this development would increase, so an education contribution would be sought between 2 and 7 pupils.

A reassessment should be undertaken at the point of decision to identify those developments which have gained planning permission prior to this application.

Calculation

Using the formula

DfE Cost Multiplier (for primary and/or secondary places)	x	DfE Location Factor	x	BCIS All-in Tender Price Index	x	Number of Places
---	---	---------------------------	---	--------------------------------------	---	---------------------

Primary

£12,257	X	0.97	x	265 / 247	x	20	=	£255,114.28
---------	---	------	---	-----------	---	----	---	-------------

Secondary

£18,469	x	0.97	x	265 / 247	x	2	=	£38,440.94
---------	---	------	---	-----------	---	---	---	------------

Secondary up to

£18,469	x	0.97	x	265 / 247	x	7	=	£134,543.27
---------	---	------	---	-----------	---	---	---	-------------

In Summary

Lancashire County Council would be seeking a contribution for 20 primary school places and 2 secondary school places.

$$£255,114.28 + £38,440.94 = £293,555.22$$

However, as there are a number of applications that are pending a decision that could impact on this development should they be approved prior to a decision being made on this development the claim for secondary school provision could increase up to a maximum of 7 places.

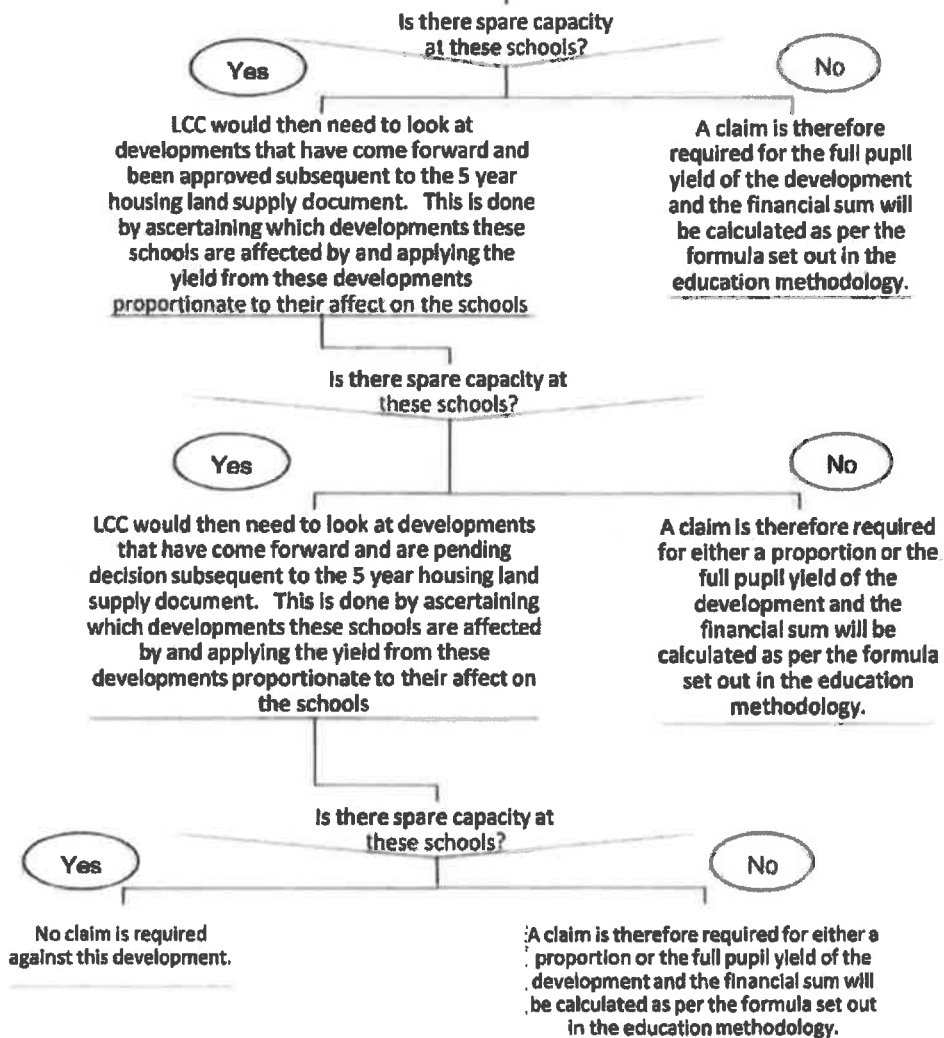

$$£255,114.28 + £134,543.27 = £389,657.55$$

Appendix 3: Education Planning Assessment Process

An assessment is undertaken to identify the schools within the locality of the development (2 miles primary, 3 miles secondary).

LCC then take into consideration the capacity of each of these schools and the projected number on roll in 5 years (see forecast methodology).

A pupil yield is applied to the dwellings contained within the development based on the number of bedrooms in each dwelling as per the education methodology.

SCHEDULE 6

Covenants by the County Council

1. To pay any Contributions received into a separately identified interest-bearing section of the Council's combined accounts as soon as reasonably practicable.
2. The Contributions paid to the County Council shall be used solely for the purposes set out in this Deed and for no other purpose
3. To pay the Owners such amount of any payment made by the Owners pursuant to this Deed to the County Council which has not been expended or committed for expenditure in accordance with the provisions of this Deed within 7 years of the date of receipt by the County Council of the final instalment of such payment together with interest at the Bank of England base rate for the period from the date of payment to the date of refund.
- 4.

Should the Education Contribution not be spent on the project named within this Deed, the County Council will return the sum which has not been expended or committed for expenditure to the party who paid the Education Contribution. Furthermore, the County Council will ensure that sufficient local school places are provided to address the impact of the Development at no cost to the Owners
