Good afternoon Diane

I understand there had been some liaison relating to our response for the proposed works detailed in the email below.

The Outside Party have requested I reconfirm there is no requirement or conditions for a BAPA or RAM, this is providing the plans relating to the railway interface are not changed or altered.

Many thanks for your help on this.

Good morning Diane

I have recently attended a work instruction at Ribblesdale View Chatburn Blackburn BB7 4BB.

The development's planning code is 3/2018/1179

Following consultation with our DPE and Asset Engineer as well as my own review, I can confirm that there are no concerns or requirement for a BAPA.

Many thanks
