Dear Sir / Madam

Application no: 3/2019/0792

Address: 23 Chatburn Park Drive, Clitheroe
Proposal: Extensions to side and rear

The proposal raises no highway concerns and I would therefore raise no objection to the proposal on highway grounds however the proposal will require alterations to accommodate the additional parking requirements and therefore should your council be minded to approve this application I would request that the following note be attached to any permission that may be granted.

Note

This consent requires the construction, improvement or alteration of an access to the public highway. Under the Highways Act 1980 Section 184 (Vehicle crossings over footways and verges), the County Council as Highway Authority must specify the works to be carried out, Only the Highway Authority or a contractor approved by the Highway Authority can carry out these works and therefore before any works can start you must complete the online quotation form found on Lancashire County Council's website using the A-Z search facility for vehicular crossings.

Yours faithfully

Phil Durnell
