Statement from Mr Lee Greenwood:

I consider that the revisions to the proposed scheme create a more acceptable development. There would be some impact on the openness of the Green Belt, however I do not consider that this would be immediately appreciable or would make a marked difference to the character of the designation in this location.

With respect to the Authority, is the applicant and/or agent one of the following:

- (b) an elected member
- (c) related to a member of staff

It is an important principle of decision-making that the process is open and transparent.

☐ Yes ☒ No

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?
