Dear Sir / Madam

Application no: 3/2019/0896

Address: 89 Chatburn Road Clitheroe  
Proposal: Extensions to 89 Chatburn Road, Clitheroe

Whilst I would raise no objection to the proposal on highway grounds it is noted that the vehicular access has been widened to accommodate the additional parking area provided in the front garden. Whilst this is to be welcomed as it improves access into the property there has been no corresponding widening carried out on the vehicle access crossing therefore should your council be minded to approve this application I would be grateful if you could attach the following note.

**Note**

This consent will require the alteration of an access to the public highway. Under the Highways Act 1980 Section 184 (Vehicle crossings over footways and verges), the County Council as Highway Authority must specify the works to be carried out, Only the Highway Authority or a contractor approved by the Highway Authority can carry out these works and therefore before any works can start you must complete the online quotation form found on Lancashire County Council's website using the A-Z search facility for vehicular crossings.

Yours faithfully
