**Flag Status:** Flagged

Good afternoon ,  
Having looked at the application I would kindly request that noise impact assessment for the proposed development was undertaken . In addition to this please could details of any lighting within the development be provided to environmental health at the earliest convenience as it is noted that no details of lighting is included in the application .  
Many thanks

Heather Barton

Please will you let Adam Birkett have your comments on the above planning application? (Please respond to [planning@ribblevalley.gov.uk](mailto:planning@ribblevalley.gov.uk) FAO Adam Birkett)

The application is for a proposed extension to the factory and creation of a new car park with access.
