**Locality:**

**County:** Lancashire

**Planning Application Reference Number:** 3/2019/0999

**Address of Development:** Land off Henthorn road

**Your Comments:** The most recent traffic report was carried out during a world wide pandemic where restrictions in place restricted members of the public's movements. I also believe it was carried out on days when the household recycling centre was closed. It is evidently quieter negotiating Henthorn Road in the current climate but that cannot

not be taken as a true reflection as to how busy it is during normal times outside of a major pandemic. It is certainly much busier when the household recycling centre is open.
