Dear Sir / Madam

Application no: 3/2019/1126  
Address: Edisford Bridge Farm  
Proposal: C/Use joiner's workshop to agricultural building and vice versa

The proposal represents a relocation of the existing joiner's workshop to an alternative existing location within the site. The relocation will result in an increase in the floor area with a predicted minor increase in employee numbers. On this basis I would not anticipate any highway concerns and I would therefore raise no objection to the proposal on highway grounds

Yours faithfully
