The Parish Council supports this application, along with the main previous one (3/2017/0726). As previously stated, the Council hopes there will not any interruption in operation of the pharmacy during the building work, similarly to condition 10 of the planning approval for 3/2017/0726. The council strongly values the facilities that the pharmacy provides and would even welcome an extension of opening hours to five and a half days / week.
