Dear Mr Macholc,

Planning Application: 3/2020/0124

**Discharge of Condition 3 (materials), 4 (boundary treatment details), 14 (written scheme of archaeological investigation) of Planning Application 3/2019/0629
20 Abbeyfields, Whalley**

Re: Condition 14 – written scheme of archaeological investigation

The methodology proposed in The Archaeology Co.'s 2019 Written Scheme of Investigation does meet with the Historic Environment Team's approval, despite the fact that the Introduction refers to a previous application to develop the site (3/2018/0119).

We would however not advise the full discharge of condition no. 14 until such a time as the HET has confirmed in writing that all the on-site work, and its associated reporting and archiving have been satisfactorily completed.

Yours sincerely

Doug Moir
