Subject: Planning Comments in respect of application 3/2020/0315 Construction of an all-weather football pitch with boundary fencing and floodlights and an extension of existing car park. - at Langho Sports and Social Club Dewhurst Road Langho BB6 8AF

Wilpshire Parish Council objects to the above application for an artificial pitch on Open Space land. This land was allocated in the original lease as 'open space' which can be used by all residents and WPC strongly objects to the land status being changed from Public Open Space to a commercial use.

WPC also objects because of the visual impact of high fencing, light pollution (even with directed lighting) and the detrimental effects on residential amenity from the planned extensive commercial use.

kind regards

Clerk to Wilpshire Parish Council
