Dear Mr Macholc,

**Application 3/2020/0345. Discharge archaeological conditions, Chatburn Road, Downham**

Thank you for your consultation and the attached archaeological report on the results of the watching brief on the area of the Roman road during construction of the new footpath at Chatburn Road.

The report is appropriate for the work we advised should be carried out during the development and the condition requiring the archaeological scheme of works can now be discharged.

Yours sincerely

*Peter McCrone*
