Subject: RE: planning application 3/2020/0507

Hi Adam, no response from us on this one. The site is FZ1 with no main river involvement. They are proposing a package treatment plant but as there are no other constraints for us we would usually leave it to UU to make comments regarding foul drainage. If UU are happy with them not going to mains then they will need a permit from us for the package treatment plant.

Many Thanks

Carole
