**FAO: Stephen Kilmartin,**

Application number: **2020.0545.FULL**

Address: **16 Darkwood Crescent, Chatburn**

Proposal: **Proposed two storey extension to side.**

I refer to the afore-mentioned application and would like to thank you for the opportunity to comment on the proposal. I have viewed submitted plans and associated highway related scheme correspondence and have the following comment to make with regards to the merits of the proposal:

The applicant is seeking planning approval to implement a range of structural alterations to the afore-mentioned property such as to increase the gross floor living space of the residential unit.

The highway authority would raise no highway objection to the application.

I hope the above is of assistance in your council's determination of the application.

Yours faithfully
