

Notes:

- All work is to be carried out to the latest current British standards Codes of Practice and recognised working practices.
- All work and materials should comply with Health and Safety legislation.
- All dimensions are in millimetres where explicitly shown otherwise.
- The contractor should check and certify all dimensions as work proceeds and notify the architect of any discrepancies.
- Do not scale off the drawings, if in doubt ask.

Amendment A - 21.10.2020 Two windows added to proposed housing elevation. Windows amended to provide facing elevation. Existing garage window added northerly facing elevation
