Notes:

All work is to be carried out to the latest current British standards Codes of Practice and recognised working practices.
All work and materials should comply with Health and Safety legislation.
All dimensions are in millimetres where explicitly shown otherwise.
The contractor should check and certify all dimensions as work proceeds and notify the architect of any discrepancies.
Do not scale off the drawings, if in doubt ask.

Amendment D - 22.12.2020: Fenestration and proposed building form amended in line with Officer comments.

Amendment C - 20.11.2020: Fenestration and proposed building form amended in line with Officer comments.

Amendment B - 16.11.2020: Approved Westerly facing gable fenestration amended in line with approved plans (3/2017/0350). Reduced roof line to proposed former kernel extension (rebuild).

Amendment A - 21.10.2020: 2no. windows added to proposed easterly facing elevation. Window amended to westerly facing elevation. Existing gable window added to northerly facing elevation.
