Dear Mr Macholc

**Planning Application Nos: 3/2020/0764 and 3/2020/0759: Discharge of condition 9 (scheme of investigation) from planning permission 3/2018/0095. Discharge of condition 5 (archaeological recording) from listed building consent 3/2018/0094. Fields Farm Sawley Road Grindleton BB7 4QS**

Thank you for your consultation on these applications.

The Written Scheme of Investigation (WSI) is appropriate for the level of work we advised should be carried out to record the building prior to development work.

As is our normal approach in these cases we would advise that discharge of the conditions should be held until the fieldwork has been carried out and the report submitted.

If this raises any queries please contact us again.

Yours sincerely

*Peter McCrone*

Planning Officer (Archaeology)
