If there are any discrepancies found between the drawing and site, then CRC Design should be notified immediately Contractors must verify all dimensions on site before commencing any work, making any shop drawings or fabricating off site.

Written dimensions should be taken in preference to scaled-off dimensions. All work to be carried out in accordance with the requirements of the current Building Regulations, all relevant BS Specifications, Codes of Practice, Local and Service Authority Byelaws, and in compliance with the Local Authority Approvals Disclaimer

Only manholes that were accessible on site during survey other manholes may be present but covered all invert levels taken where possible at main channel Man Entry to sewers has not been undertaken. Depths, Pipesizes etc are measured from the ground. All sewers and inverts to be checked prior to any works commencing on site. The CAD Room Ltd are not resposible for manholes, services, information not surveyed which may have an impact on site development. Unit I Arden Business (
