Dear Laura

Members of West Bradford Parish Council have been consulted on the above application, and have asked me to indicate their support for it. Whilst the barn itself will be of agricultural value, the current footpath arrangement requires users to pass along a relatively narrow track with livestock in close proximity; moving the footpath to the other side of the new barn would potentially be beneficial / safer for walkers.

Yours sincerely

Andy

Please will you let Laura Eastwood have your comments on the above planning application? (Please respond to planning@ribblevalley.gov.uk FAO Laura Eastwood)

The application is for the demolition of an existing agricultural barn and replacement with a new agricultural barn for livestock. This includes the diversion of public footpath FP18 and the diversion of the existing access road to Westfield Cottage and Westfield House.
