RE: *Land Adj to Little Bowland Lane.*

Dear Sirs,

Please find enclosed the relevant drawings & application form for the concrete hard standing - prior approval application for the above project.

The applicant requires a determination on whether planning permission is required for the hard standing to comply with grant conditions for a grant scheme that is aimed to reducing the polluted saturation of the ground on farms.

I trust that the above is satisfactory and look forward to hearing from you, however should you require any further information please do not hesitate to contact me.

Yours Sincerely

Jon Hadfield.
