Dear Mr Macholc

For the purpose of your records, I write to confirm that Hothersall Parish Council had no objections or comments to make in respect of the above planning application.

I am responding to the application prior to the date given on the weekly notification list dated 8 January, which states 'Comments by 29 January'; as I have gone onto the RVBC website this morning I have seen that the closing date for comments was 12 January. This is a significant disparity. Is there any way of making the actual deadline for comment clearer on the weekly notifications please? In this instance, it was not of great significance as there were no objections, but in other cases this might create a significant problem.

Kindest regards  
Deb Groves
