You must write on the map in black the specific codes for options you have selected or require, including any supplements e.g. AB7, BE3, GS2, HS5

'Maps provided for the sole purpose of supporting CS Scheme Applications and Agreements

You must identify options applied for on the map using the Options legend provided.

You must write on the map in black the specific codes for options that you have selected or require - including any supplements.

You must identify the Farm Environment Features that exist on your holding using the Farm Environment Record legend provided, on a duplicate copy of your map. If you have an existing FER from a previous scheme in the past 5 years - you may alternatively submit this as your FER supporting your application.
