To Nicola Hopkins.
Plan application 3/2021/0275
Grid ref 360665 437214.

We [REDACTED] [REDACTED] have objections to the proposed development on the land behind the dog Inn Longridge.
One objection is the proposed entrance to the site which is already a very busy junction.
The second objection is the proposed height of the property's that will look directly into the bedrooms of the existing houses on Darwen close.
The third and the most important objection is the idea of a top water soakaway when the land around this area is already saturated surely it would be better if the top water was connected to the drainage system .
