Dear John Macholc

Thank you for the letter informing of the latest planning application for The Dog Inn Market Place Longridge PR3 3RR ref as above.

I am writing to let you know of my objections to the proposal.

1. Due to the close proximity, of the two premises at the east of the site, to [REDACTED] properties there will be instrumental loss of sunlight putting [REDACTED] all into perpetual darkness, caused by;
 - a. The close proximity to [REDACTED]
 - b. The height the site grounds works have been built up to already prior to planning permission
 - c. The subsequent height of the proposed dwellings.
2. From [REDACTED] of the owners of the site carrying out extensive groundworks
 - a. Without planning permission – is this not an offence?
 - b. Over bank holiday weekends when there was nobody we could contact at the council
 - c. Starting early in the mornings giving us little rest from the noise of heavy machinery, into evening.
 - d. If this planning permission goes ahead the council planning department needs to provide [REDACTED] with a contact that can be available to the residents to act on our behalf all hours and days so we are not left as we have been with little support or recourse.

Yours sincerely
