3/2021/0311 additional objections following discussion at the meeting of the parish council, this objection relates to the increased noise from the cattle grid, this being only 41 feet from a resident's home.

It seems that 8 new houses are likely to generate 4 times as much periodic noise as the existing 2.

- Could this be consulted by Planning with Environmental Health?
- Could consideration be given to ensuring that developers do not use this access route or if the cattle grid could be filled in?
- Would it be possible for a survey of noise and vibration particularly relating to nearby houses which are in close proximity to the grid?

Clerk to Billington and Langho Parish Council
Rachel Greenwood, 40 Burnley Road, Haggate, Burnley. BB10 2JJ Tel 01282 425 305
