Barrow Parish Council Response

In the interest of health & safety to nearby residents of the adjacent new housing estate (Morris Homes) in respect of golf balls being struck into their properties, the Parish Council has objections to the erection of a ball stop safety fence being installed.

Whilst Barrow Parish Council notes the style & colour of the proposed fencing, it is difficult to comment on how this will aesthetically. It is also noted that CGC have had contact/discussion with adjacent homeowners.

Barrow Parish Council Response

Barrow Parish Council has no objection to the removal of a tree to alleviate a foul drain blockage. However, it is noted that the tree has a tree protection order. Barrow Parish Council was of the understanding that a replacement tree must be planted very close to/or on the original site of the removed tree. The report, however, mentions planting some replacement trees in the rear garden of the property.
