not being written to .	It affects our

Please can you advise why we are being ignored, and have y	your acknowledgment to add our address ( and the

others) for this and future applications as I am sure there will be.

# Address of Development: Ribble Valley View Caravan park

Your Comments: The above Caravan Park has now been open for about 5 years, and at no time have the G	Council
EVER written to us advising us of the plans even though	It would
appear that we have now been overlooked for the 3rd time as once again, this application is news to us.	
. Pleas	e could
you let me know why you seem to ignore us and the other 6 houses that back onto it when you write to or are further away than we are. Please add us to your list of addresses for any future applications. The frust	
thing is that the Caravan Park affects us more than anyone else that you write to, and we therefore have r	_
why you keep ignoring us. Please advise.
