Ribble Valley Borough Council Planning

21 May 2021

Dear Adrian,

Whalley Parish Council Response Planning Application 3/2021/0350 Whalley Old Grammar School Community Centre

The Whalley Parish Council appreciates that listed buildings must be protected from unnecessary changes that could have a detrimental effect on the integrity of the building and that current planning safeguards are in place to achieve this.

We are sincerely hoping that the revised plans, which reflect the need to both preserve and develop the building, accommodate the concerns expressed in the initial refusal by RVBC planning.

The Whalley Old Grammar School contributes a major part to the fabric of the village. It not only serves the local community but the whole of the Ribble Valley. The Parish Council would wish to see this facility lasting for many more years.

Should you have any further queries do not hesitate to contact me.

Yours sincerely,

M Richardson
Clerk and RFO
Whalley Parish Council
