FAO A Dowd

Dear Mr Macholc

Application 3/2021/0474: Discharge of condition 9 (Written Scheme of Investigation) from Listed Building Consent 3/2020/0763.
20-22 Talbot Street, Chipping PR3 2QE

Thank you for your consultation on the above application. The accompanying Written Scheme of Investigation (WSI) by Stephen Haigh relates to the photographic recording of the extant windows which are to be replaced as part of the present consent. It does not include the recording of the floor timbers, as we recommended, but this was not included in the planning condition.

The WSI as supplied appears to satisfy the requirements of the planning condition and we can recommend that it be approved.

Yours sincerely

Peter Iles

Planning Officer (Archaeology)
Historic Environment Team
