Dear Adrian,

Consultation on Discharge of Condition, 3/2021/0526, Hall Barns Farm Knowles Brow Hurst Green BB7 9PT

Thank you for the consultation on this with the attached report.

The report is appropriate for the level of work we advised should be carried out to record the historic fabric of the building prior to the proposed repairs.

The condition requiring the archaeological recording of the affected parts of the building can therefore be discharged.

Regards

Peter McCrone
Planning Officer (Archaeology)
Historic Environment Team.
