Planning Application Reference No.: 3/2021/0556

Address of Development: 74 Higher Road and land to rear

Comments: I object to the above Planning Application for the demolition of 74 Higher Rd. and construction of up to 123 houses to the rear. More traffic travelling through the restricted width road along Club Row will cause highway related issues. Longridge and surrounding areas have enough new development. More open space and wildlife corridors are needed, which the above plot of land ideally lends itself to.
