Ref: 3/2021/0603 Dene House, 8 Longridge Rd, Hurst Green

Dear Ben Taylor,

I am writing to you on behalf of Aighton, Bailey and Chaigley Parish Council to express our opposition to the application to create a vehicle crossing (dropped kerb) outside 8 Longridge Rd. Firstly United Utilities have rarely needed access to the mains sewer and when this has been required recently their vehicles have been able to negotiate the kerb without any problem. It is our belief that if this access were created it would be used as a vehicle access for the annexe to 8 Longridge Rd which is presently being built.

Secondly if permission is given to create a vehicle crossing, we would request that access is restricted for the use of United Utilities and other contractors by the erection of a locked barrier.

Nancy Bailey on behalf of Aighton, Bailey and Chaigley Parish Council.
