Attachments: EIA Addendum Notification.pdf

Dear Sir/ madam,

In line with legislation Ribble Valley Borough Council are bound to inform the Secretary of State when receiving planning applications which are accompanied by an Environmental Statement. An application has been received from United Utilities for the above sites. Our initial email notification was sent to you on 3 November 2021.

Please note that additional information has been submitted in relation to the above applications (which were originally received on 23rd June 2021). The additional information is an addendum to the Environmental Statement providing supplementary information. A summary of the additional information submitted has been provided by the applicant and is available to view online.
