FAO A Dowd

Dear Mr Dowd,

Thank you for your consultation on the above application. As you will be aware we did not request that the recording scheme include the windows, although it appears to have been a useful exercise. The only addition to the record we could suggest is the provision of a 1:1 section drawing of typical glazing bars from windows W1 and W2, but you may consider that this is unnecessary.

Yours sincerely

Peter Iles

Planning Officer (Archaeology)
