Dear Mr Macholc,

**Planning Application No: 3/2021/0706. Proposed development of the existing agricultural unit and building into a working farm for breeding of livestock. Proposed new farmhouse with new access. Land off Shire Lane Hurst Green BB7 9QR**

Thank you for your consultation on this application.

The HER has entries for the area surrounding, namely three possible sites of medieval crosses or cross bases along Shire Lane. These are outside the actual development area and will not be affected by the proposals.

We do not propose therefore to offer any objections to the proposed development.

Yours sincerely,

*Peter McCrone*
