Application no 3/ 21/0724 Kirk House, Malt Kiln Lane, Chipping

Dear Adrian,

We have had a look at this application and we do not think there is any requirement for archaeological work on the proposals.

I'll leave arguments about the fenestration to you but from the heritage assessment there does seem to be some original glass (some cylinder glass for example) that needs to be retained if at all possible.

Regards

Peter McCrone
