Dear Mr Macholc

**Planning Application: 3/2021/0731**

**Redevelopment of the existing educational facility including part demolition of the existing infant school to provide a standalone nursery facility, together with the remodelling of, and extension to, the existing junior school, and erection of a new infant block to the rear of the building, alongside additional car parking. Soft and hard landscaping treatment and vehicular access works off Greenacre Street. St James C of E Primary School, Greenacre Street, Clitheroe**

I have checked our records and the proposed development site is considered to have negligible archaeological potential. I advise that archaeology does not need to be considered further for this application.

Yours sincerely
