Dear Laura Eastwood,

In regards to application 3/2021/0793, Coars Farm Garden Centre Settle Road Bolton By Bowland BD23 4SN

We have again been missed from the list of consultees and have not been notified of this application. [REDACTED] so we hope our comments will be included in the decision making process.

As the reduction to the number of lodges fails to alleviate any of our previous comments or concerns, we would like to issue these as previously given.

Objection to the Increased traffic along our narrow winding road which is already dangerous

Concerns about the water supply

Concerns for safety of the increased number cyclists

Concerns about the need for yet another tourist centre in what is primarily an agricultural area
